Landscapes and Irrigation

# ABOUT US:

Green Mek Landscapes and Irrigation is a leading name in landscape development across Maharashtra, Gujarat, Telangana, and Karnataka, with 7 offices including our head office in Pune, 120+ skilled professionals and 100+ satisfied clients. Guided by our vision "Greenery our Activity and Vision", we aim to create and maintain outdoor spaces to the highest standards and best value. From gardens to business premises and public areas, we ensure every space looks pristine, well-kept, and welcoming all year round.

## OUR TEAM:

### MR. SHRINIWAS BADRAYANI EXECUTIVE DIRECTOR

With 40+ years in horticulture, irrigation, and landscape management, Shrinivas Badarayani delivers sustainable, eco-friendly solutions that balance aesthetics and functionality. An Agriculture graduate with a Diploma in Business Management, he is a trusted industry leader committed to excellence, innovation, and long-term value.

### MR. SHRIDHAR BADRAYANI DIRECTOR

A Civil Engineer with 20+ years of experience, Sridhar Badarayani leads Green Mek's sustainable landscaping and irrigation projects across India. Blending design with engineering, he creates eco-friendly spaces that balance beauty, functionality, and long-term value.
